BRODHEAD

P. E. Shivel was recently
visiting his son, Ezra Shivel
at White Wood, Ky.—Mrs. J. R.
Cass, and daughters, Mesdames
J. M. Roberts and Bronston Elder
and son, Robert Cass, were in
Danville shopping recently.

Mrs. Walter Smith returned
to her home in Winchester last
week after spending a few days
with her parents, Mr. and Mrs.
J. M. Owens.—Mrs. P. A. Shel-
ton, and sons, Leonard and
Reece Shelton, were in Boston
and Louisville recently.—Since
our last letter the Rev. T. C.
Duke closed a 10 days meeting
at the Baptist church here with
24 additions to the church—18
for baptism.—Miss Thelma Pil-
kenton, of Corbin, was here with
friends a few days last week.

Mr. and Mrs. J. R. Cass, and
son, Willie Cass, were in Louis-
ville one day last week shopping.
—Miss Nannie Bryant, of Cor-
bin, was a recent visitor of Miss
Anna Belle Smith in the Hiatt
section.—Miss Ella Belle New-
land spent last Thursday and
Friday in Danville the guest of
Miss Ella Dunn.—J. B. Frith
was in Louisville last week on
business.—Our good friend, Jas.
Maret, of Winchester, stopped
a few minutes here Saturday on
his way to Mt. Vernon. Mr.
Maret is always a welcome vis-
itor to our town.—J. I. Painter
was here from Stanford Wed-

nesday.—Roy Sowder and Watt
Rigsby came home the first of
the week, having been discharged
from Military Service. Both ar-
rived Sunday from overseas.—
Brothead is soon to have a 20-
piece band and it won't be long
until it is making music, in fact
one can now hear strange and
wonderful sounds in every part of
town. Prof. Leo C. Wright, of
the Kentucky Band School,
Louisville, has been here a great
part of the time for several
weeks completing the organiza-
tion and instructing the new be-
ginners. We understand he will
be succeeded as leader in the near
future by Prof. Frederick
Smith, who has been at the head
of a band at Palm Beach, Fla.,
for the past winter, and who is a
graduate of the London Conserv-
atory of music. We are mighty
glad that we will soon have a good
band and as Brothead is never
second we feel sure that soon the
boys will be making delightful
music.—The Commencement ex-
ercises of Brothead Graded and
High School will begin Saturday
evening at 8:30 o'clock, when
"Hicks at College" will be pre-
sented. A small admission of 10
and 20 cents will be charged;
Sunday at 11:00 o'clock the bac-
calaureate sermon will be pre-
ached by the Rev. O. P. Bush,
of Georgetown, Ky.; Monday even-
ing at 8:30 will begin the gradu-
ating exercises of the Eighth
grade pupils; on Tuesday
evening a well arranged program
will be carried out by the Pri-
mary pupils; on Wednesday even-
ing "Standing By" will be pre-
sented by the High School pupils,
admission will be 15 and 25 cents;
on Thursday evening will be car-
ried out the "Class Day Program"
and on Friday evening the Grad-
uating exercises will take place.
This closes a very successful
school and had there been no
break on account of the flu it
would have been one of the most
successful schools ever held
here. We understand that the
present faculty have been em-
ployed for the next term and
we are sure this will meet with
the hearty approval of every
patron in the district. The pub-
lic is cordially invited to attend
the closing exercises.

DO YOUR BEST.
Everyone should do all he can
to provide for his family and in
order to do this he must keep
his physical system in the best
condition possible. No one can
reasonably hope to do much
when he is half sick a good share
of the time. If you are consti-
pated, bilious or troubled with
indigestion get a package of
Chamberlain's Tablets and fol-
low the plain printed directions,
and you will soon be feeling al-
right and able to do a day's
work.

We are authorized to announce
W. T. SEORT
as a candidate for State Senator in the
17th Senatorial District, subject to the
action of the Republican party at its
primary election on August 2, 1919.

ANNOUNCEMENTS
We are authorized to announce
HON. E. BULLOCK
as a candidate for Representative from
the Seventieth Legislative district, com-
posed of Rockcastle and Laurel coun-
ties, subject to the action of the Repub-
lican party at its primary election on
August 2, 1919.

GET down to business. Be prepared for action that is wanted soon. In those words may be summed up the demand that is now being made upon the Administration, Congress and official Washington in general in the form of requests and petitions that are arriving thick and fast at White House and all Government Departments. They are coming from all sections, from every line of business, from agricultural associations, chambers of commerce, boards of trade, etc., irrespective of politics or political parties. The Railroad Administration is asked for a reduction in travel rates; the Postoffice Department is petitioned to rescind its action in raising the telegraph charges; action is wanted on the meat-packing investigating so as to know whether the packers are in combine in upholding the price of meats—in fact, there are so many subjects upon which a rule and action is wanted that it

is out of the question to name them all. There is no real fault finding, it is not that, because underlying all the petitions and requests the explanation is made that those sending them understand that Congress is not in session, but what is wanted is to have the Government departments understand what the people want and to have the different affairs in such shape that when Congress is called into extra session there will be a little time lost as possible in getting matters before the proper committees and having the work lined up for them. So many requests and petitions should have the desired effect in "speeding up" affairs if there is anything in the saying that there is might in numbers.

STANLEY ANN EDGE PAIR.

A Washington telegram says: It is reported here that Senator-elect A. O. Stanley, of Kentucky, and Senator-elect Walter E. Edge, of New Jersey, are arranging a senatorial pair under the terms of which both will continue to serve as governors of their respective states until their gubernatorial terms expire. Stanley's term as governor of Kentucky will expire next December and Edge's term as governor of New Jersey will end next January. Stanley is a Democrat and Edge is a Republican. The alleged agreement simply would mean that Kentucky and New Jersey would be represented in the Senate by one senator each until next January. The political control of the Senate would not be in any way changed, however, owing to the fact that they are of opposite political faith. It is said the reasons why the two desire to serve out their terms as governors are very much the same and are founded on a desire to prevent control of their states going to antagonistic factions.

BETHURUM MAY BE CHAIRMAN.

Judge B. J. Bethurum, of Somerset, is being tipped for the post of permanent chairman of the Republican State Convention to be held at Lexington May 14, while Judge McKenzie Moss, of

Bowling Green, is being mentioned for temporary chairman. The convention is to be called to order at 2 o'clock in the afternoon by E. T. Franks, of Owensboro, chairman of the State Republican State Central and Executive Committees. Delegates to the convention are to be named in county mass convention to be held Saturday, May 10. The form of voting in these conventions, with few exceptions, is to be viva voce. Based on one delegate for each 100 votes or fraction thereof amounting to fifty or over cast for the Republican candidate and electors in each county at the 1916 presidential election, there will be 2,414 delegates at the State Convention. The number necessary for a choice will be 1,208.

SUGGESTION FOR A CAMPING TRIP.

Buy a bottle of Chamberlain's Colic and Diarrhoea Remedy before leaving home. As a rule it cannot be obtained when on a hunting, fishing or prospecting trip. Neither can it be obtained while on board the cars or steamships and at such times and places it is most likely to be needed. The safe way is to have it with you.

COUNCIL OF NATIONAL DEFENSE

Some of our most prominent citizens have joined in making a fight for the Victory Liberty Loan. This is the fifth time that we have been called upon to do this work for our country. It means more to help finance the Government of our country at this time than it ever did before.

Victory in this instance means that our men, free born Americans, have crossed the sea and have by their daring deeds of bravery defeated, whipped and subdued Germany, the strongest military power in the world. This means that we have sown the seeds of Democracy in Europe, and instead of Autocracy, Democracy will dominate the

world. We are making this fight for the Victory Loan first; to save the reputation of our Government, second; to bring the boys home to their dear ones, third; that the whole world may know that had the war lasted for some years, we would have been able to endure its horrors and have men and money left, thus showing the world that the United States of America is a country that will have peace for ever or conquer the world. Mr. Man, no matter what your vocation is in life, you are an American citizen, and it is your patriotic duty to buy a bond and talk bonds and help put the Victory Loan over the top.

Your Patriotism.

The higher type of patriotism is not measured by what you can afford. It is what you cannot afford that counts.

He cannot afford to lose an arm, or a leg, or his sight—but he did.

Now he's back here—that is, what is left of him.

Today, in uniform, a hero; tomorrow, in civilian clothes—what?

It rests with you?

If you can't afford to help this man whose sleeve now hangs limp and empty at his side—who picks his faltering way with an unaccustomed crutch—whose eyes see only the blackness of eternal night—if you can't afford to lend him a hand in his struggle back to a career of industrial usefulness—if you can't afford to lend your money, every red cent that you can dig up, to encourage him to feel that life still holds much for him of brightness, promise and accomplishment—if you can't afford to do this, what is the name of American patriotism can you afford? What sacrifice that you can possibly make for him is comparable with the sacrifice that he has made for you?

Mr. Joseph A. Parrett, age 79 years, and the father of our townsman, Neal Parrett, died Monday at his home near Pine Hill, after a short illness. Although the deceased was sick only a few hours, yet for many years he had been a sufferer of a trouble which had long since become chronic, which caused him great suffering at times and which had puzzled several of the best physicians. The burial took place at the burying ground near Sand Hill.

The "Home Coming at Level Green on June 26, 1919, is being looked forward to by hundreds of men and women who spent their boyhood and girlhood days playing around the old school house, conducted by that dear old teacher, Jasper Brown. We are all going to have those days played over again June 26-1919. Please don't forget the date. We will have out hand bills later on calling your attention again. It has been suggested that a welcoming address be given by Atty. J. W. Brown, of Mt. Vernon, Ky.—Committee.

A personal letter received from our good friend, I. P. E. Drummond, says:

"On Dr. H. V. Pennington's advice as a friend and doctor, he advised myself and wife to go to a higher and drier climate. The flu left us both in a weakened condition and we were likely to fall victim to anything, but no immediate danger that he could see. We went to Ashville, N. C., and stayed a month and I gained 10 pounds and my wife gained nothing and lost nothing. We have decided to go to Ashville to live. I had a doctor in Ashville examine me just before I left there and he pronounced me sound as a dollar. So you see how it goes. I am going tho' and if you don't watch I'll come back to old Rockcastle to live and die. I expect to leave May 28, or 29."

We certainly regret to lose Mr. and Mrs. Drummond and sincerely hope that his threat that he will come back to old Rockcastle some day, will certainly prove true. There will always be a cordial welcome awaiting him and his most estimable wife.

ROCKCASTLE COUNTY STOCK PENS.

Rockcastle County at last has a home market for live stock—which is a great asset to the county. Monday April 21, the first sales were made in the new pens at Mt. Vernon. Every one was very much surprised at the interest taken and shown in the live stock market. Cattle, hogs, mules and horses were on the market at good prices both for buyer and seller.

This first market has shown the people of Rockcastle County that County Stock Pens are valuable and that better live stock is in demand.

Better bulls, bucks, boars, jacks and stallions are now being looked forward to. Better sires means better live stock—We hope that some of our neighboring counties will bring us some pure bred registered shorthorn bulls to be sold and remain in county. Rockcastle wants the best sires in the live stock line—She wants registered sires—sires with blood.

CALL FOR REPUBLICAN MASS CONVENTION.

TO THE REPUBLICANS OF ROCKCASTLE COUNTY:

You are called to meet in Mass Convention at the court house in Mt. Vernon at one o'clock p. m., standard time, Saturday, May 10, 1919, for the purpose of selecting nineteen delegates from this county to attend the Republican State Convention which will be held in the city of Lexington on the 14th day of May, 1919.

The object of said State Convention is the adoption of a platform of principles, which the Republican party will ask the voters of Kentucky to support at the coming November election, and to recommend to the Republicans of the State after consideration, candidates for the various State officers to be nominated at the August Primary of this year.

We urge the Republicans of the county to attend the Mass Convention and extend to each and all an earnest invitation to do so. We want to make this meeting the opening of the campaign for the coming November election. We will have present a number of prominent Republican speakers who will entertain the Convention.

L. W. BETHURUM,
Chairman, Republican County Committee.

COMMISSIONER'S SALE.
ROCKCASTLE CIRCUIT COURT.

John Owens and Others,

Plaintiffs,

vs. Notice of Commissioner's Sale.

Roy Owens and Others,

Defendants.

By virtue of a judgment and order of sale of the Rockcastle Circuit Court, rendered at its February term 1919, in the above styled case, I will offer for sale, at the front door of the Court House, in Mt. Vernon, Ky., to the highest and best bidder, at public auction, on Monday, May 5th, 1919, between the hours of 11 o'clock a. m. and 3 o'clock p. m., on a credit of six months the following described tract of land, to-wit:

A tract of land in Rockcastle County, Kentucky, on Wiggins' creek, waters of Dick's river and bounded and described as follows:

Bounded on the north by the lands of Levy Denny and the heirs of Albert Albright, on the east by the lands of the Sayers heirs; on the south by the lands of Sayers' heirs, and on the west by the lands of Eugene Gentry, John Williams, J. D. Hamm, and George Albright, deceased, and is the same land owned and occupied by Esquire William Owens, deceased, at the time of his death and contains 160 acres more or less. From this boundary there is excluded about three acres which was sold by said Wm. Owens to Margaret Roberts, and the same is bounded as follows: Beginning at a stone on the south side of the road; thence S. to a spring branch; thence with the branch to the County road; thence with said road to the beginning.

The purchaser will be required to execute bond with approved surety for the purchase price, bearing legal interest from day of sale till paid, and having the force and effect of a judgment.

G. S. Griffin,

Master Commissioner Rockcastle Circuit Court.

The Whippet Tank has come and gone and those who witnessed the maneuverings of that wonderful piece of mechanism, can now understand why it was the devilish Huns were so panicstricken, in those battles where the tank played such an important part. Regardless of the downpour of rain, a fairly good sized crowd saw the tank here Wednesday. Bonds sold on that day amounted to about \$10,000. The previous sales and those sold since brings the county's total up to about \$35,000, leaving more than \$25,000 yet to raise to make the full quota.

The picnic arranged for tomorrow by the Baptist Sunday School, will be postponed two weeks, on account of the weather. Those in charge regret very much to disappoint the little folks as well as the grown-ups, but remember that it is coming just the same in two weeks.

RED CROSS NOTES.

The women have a hundred small garments to be made at the workroom by May 15th. It is hoped that every Red Cross worker will come in and help complete this job. This is the last work that they will have and it is hoped that every body will be in at the finish. There has never been a garment that was made by the women of this Chapter that was returned or reported in other than Class A one. Of this every worker should feel proud. When this job is finished including what knitting that we have on hands a final report will be made on the activities of the Rockcastle County Chapter, and we wish to have all workers present at the Red Cross work room to have their pictures made, a copy of which will be sent in as a part of the history of this Chapter's work during the war. Whatever may be said about the work done by the Rockcastle County Chapter, nothing but words of praise can be said about the work done by the women of this county.

It goes without saying that they will make an effort and finish this small job in the work room within the allotted time.

Children Cry FOR FLETCHER'S CASTORIA

CARD OF THANKS.

It is indeed with grateful hearts that we express here-in our appreciation for the friendship so perfectly expressed in words of sympathy and deeds of kindness by so many kind hearted people during the recent illness and death of our dear wife and mother.

So noble and generous were the deeds, that we are left to think that our efforts were too feeble and words inadequate to really express our sympathy.

To Mrs. Rice we tender special thanks for the nice wreath of flowers, which with loving hands were placed on the casket, and to Mr. Cottengim, who took advantage of rendering special service. May the God of all grace reward, in a degree that we can not, those who wrought such loving deeds.

ABOUT RHEUMATISM.

People are learning that it is only a waste of time and money to take medicine internally for chronic and muscular rheumatism and about ninety-nine out of a hundred cases are one or the other of these varieties. All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 35 cents per bottle. Large size 60 cents.
